33rd SUNDAY In Ordinary Time
November 19th, 2006

Dear Parishioners, As I sit in my room in between clergy study sessions, typing out this week's Pastor's Corner in light of Sunday's scripture readings, and thinking about the rainy and grey skies that have been plaguing us here at Harrison just as much as they must be plaguing the rest of us in Vancouver, it brought to mind a circumstance that I observed just a couple of days ago involving the beauty and wonder of the persimmon tree and its fruit, and how God uses it to teach us a thing or two about the meaning of life.

Isn't it the case at this time of the year that most fruit trees in our gardens have already shed their fruits, if not their leaves as well, in preparation for winter? And, yet, you could say that the persimmon tree and its fruits are just coming to their own right about now. This time of the year presents us with the opportunity to marvel at the beauty of the many miniature pumpkin like fruits hanging on leafless branches of the persimmon tree as they await ripening right through the rainy and grey spells that is our autumn in Vancouver. And, I am also told that the persimmon fruit ripens best or is the sweetest when picked after a cold snap around this time of the year.

But back to what I observed a couple of days ago. In the backyard of my parents house, friends of the family had already begun harvesting a bag full of the ripened persimmons from the bare branches of the mother tree that my father had planted some years ago. Even if the tree looked rather dead without its leaves, yet, as a testimony to the wonderment that is life, the mother tree had brought fourth sweet and beautiful orange fruits for the picking, tasting and savouring.

Isn't this similar to what Sunday's readings may be reminding us about? That sometimes life can seem rather grey after dealing us a hard blow, and sometimes the blow may even be rather sudden and unexpected as well. However, today's readings also remind us that when we persevere in faith through those grey and rainy days of our lives, when we do not give up our hope in

(contd....)

(Pastor's corner contd....) Christ but rather strive to strengthen our hope in him, especially during those times of difficulties that may come upon us suddenly or otherwise, then, as the persimmon tree reminds us, even in those grey and rainy moments of our lives, even then can the sweet savouring taste of life burst forth in our midst and present itself to us! A testimony indeed, to the reality of our resurrection faith where even death itself must give way to life! Or as St. Paul reminds us in light of our resurrection faith, "where, O death, is your victory? Where, O death, is your sting." God Bless. *Fr. Mark*

PARISH NEWS & EVENTS

DAILY MORNING PRAYER WITH THE DOMINICANS

In many parishes, the pastor says the morning prayer, called Lauds, with his parishioners before or after daily Mass. This custom was highly encouraged by late pope John Paul II. Lauds is an important part of the daily prayers that all religious and priests say everyday in union with Christ. For more than a thousand years, Lauds and the other hours of the Liturgy, have been a central action of the whole Church. More and more lay people are praying the liturgy of the hours.

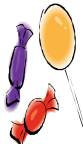

At St. Mary's, we have this odd situation where some parishioners pray Lauds in the Church at 7:15am, while the pastors and Dominican Fathers, pray the same Lauds, in their home at 7:30am. **Starting from Tuesday, Nov. 21**, the Dominican Fathers will join the parishioners present at 7:30am in the Church to pray Lauds.

Fr. Gabriel OP, will help us to make this prayer beautiful by leading us into singing. Those of you who pray the rosary at 7:30am, are requested to start earlier, at 7:10am. We are sorry for this inconvenience. We hope you will be rewarded by a blessed prayer. God bless, *Fr. Pierre*.
