Holy Trinity Sunday
June 11th, 2006
WHO ARE THEY ?

Dear Parishioners,

I won't try to explain the mystery of the Trinity. I will share how I experience God as Father, as Son, as Holy Spirit.

My father on earth helped me to relate more personally to my Father in heaven. My dad had this unconditional love for me, that mirrors the Father's love. He was always there for me, always ready to forgive and to affirm. He was humble and gentle, even while exercising his authority..... Well, almost always! God, the Father has one thing that my father never had: his Providence at work in all that I do and in all that is done to me. Through his Providence, God makes himself close to me. He is not remote, distant, inaccessible. God intervenes constantly in my life. I can see it through so many wonderful coincidences. The right person comes right there for me at the right time, to protect me, to encourage me, to challenge me. I am amazed by the frequency of these blessed and happy coincidences in my daily life. And I know I did nothing to deserve them! Bad things do happen to me, but sooner or later, God shows me that they indeed happened for a good purpose. Remembering these events and revelations, I come to believe that one day, maybe after life, I will understand and love every day of my life on earth.

God, the Son, is my brother Jesus. I can relate to him, as one like me, of the same flesh and blood. He truly understands me, because as Jesus Christ, he is true man and true God. He has experienced all the emotions of a human being. He has felt all the sufferings and distress we can imagine. He has rejoiced while discovering his Father's Love and Providence from the human view point and with human capacity. Jesus Christ is the perfect human translation of God, the perfect mirror of the Father's face. His heart, human and divine, gives us access to the Father's heart. The human heart of Jesus is still beating for me, and for you, as you are reading these lines.

(Pastor's corner contd.....)

The Holy Spirit is the one I experience through an inner drive coming from me, from the very depth of my soul, where God is more intimate to me than I to myself. There, at the still point, where my soul receives its life from God, the Holy Spirit is saying to the Father in my name, "Abba, I love you". And there, I hear the Father saying, "Come to me". What a joy to serve such a God, and to be called friend by him.

God Bless you, *Fr. Pierre*

CWL - NEW PARISHIONERS WELCOME RECEPTION

The Catholic Women's League of St. Mary's would like to invite all newly registered parishioners to our first informal "Welcome Reception" on **Sat. Jun. 24, 6pm - 7:30pm** at the church basement. Light refreshment will be served. We encourage all new registered parishioners to attend, as this is a great opportunity for you to meet other parishioners and learn more about the parish. A sign up sheet is available at one of the desks in the church foyer. So, come and join us for a fun gathering.

PROJECT ADVANCE ANNOUNCEMENT 2006

A quick update on the progress of the event. Though we are at 51% of our parish goal, the participation percentage is only at 12% based on the number of registered families. We would like to meet our goal, however, it is your participation in the project that is most important - even a small amount of \$5 / \$10, which is equivalent to a couple of StarBucks coffees, is accepted. Though you may not see the end result of how the monies are used, you will be amazed at how much your contribution will benefit the people who are in need. As Fr. Guy has mentioned before, we have to look at the "Big Picture". Therefore we urge everyone to participate. Project Advance members and volunteers will be available after each mass to collect returned pledges or sign up new donors till the end of June. During the summer months please place your pledges in the Sunday collection baskets. **Thank you in advance for your generous donations.**
