

Flowers that **FLOURISH** **LIVES**

CHARITY SALES

Tis the season to
cherish one another!

A beautiful Christmas flower bouquet from **Ave Maria Garden** will help children and families in Africa blossom through their own gardens.

This Christmas our volunteers are creating beautiful flower bouquets to support **Chalice's African school farming and food security project**. Chalice is a Canadian, Catholic international aid charity, and this program supports school gardens, community farms, and agricultural skills training. These farms and gardens in turn provide children and their parents with daily lunch programs, market livelihoods, and healthier diets for their families.

This Christmas show your love with a bouquet that brightens any room at home or work. 'Tis the season to cherish one another.

“Keep doing good works and sharing your resources, for these are the kinds of sacrifice that please God.”

HEBREWS 13:16

Chalice has received an “A” rating for 2021 from Charity Intelligence, and has been named a top charity in International Aid & Development by both Maclean’s and MoneySense for 2020.

Silk flower or some people call it artificial flower, is a great alternative to a fresh flower. Today's allergy-friendly silk flowers have the look and feel of a real flower. With no wilting, no watering, no maintenance, realistic silk flowers can be enjoyed hassle-free all year round...

Ave Maria Garden is a volunteer-run ministry based at St. Mary's Parish, Vancouver, with a vision to create and improve a strength-based community where marginalized people can reach their full potential. Our mission is to build a supportive non-judgemental environment where they can build the flower arrangement and crafting experience that helps them build self-confidence and serve in charity.
