Celebrating Life!

Dear Parishioners,

C.W.L. is giving us a beautiful opportunity to celebrate life this weekend, with the International Family Fair. Music, food, games, entertainment, time to talk and listen to one another. Our faith does not put a damper on the joy of living. On the contrary, it deepens our love for life and launch it for eternity.

Mother Teresa loved life. Not ethereal life but earthly life. As her friend Kathryn Spink wrote in her authorized biography of her:

“Mother Teresa believed in a God who dwelt among us, fully God, and fully human, and so she despised nothing human. Rather, she glorified in the life in us, our world and universe. In her 70s she wrote her own resume of her philosophy of life:

- Life** is an opportunity, avail it. **Life** is a beauty, admire it.
- Life** is bliss, taste it. **Life** is a dream, realize it.
- Life** is a challenge, meet it. **Life** is a duty, complete it.
- Life** is a game, play it. **Life** is costly, care for it.
- Life** is a wealth, keep it. **Life** is love, enjoy it.
- Life** is a mystery, know it. **Life** is a promise, fulfill it.
- Life** is sorrow, overcome it. **Life** is a song, sing it.
- Life** is a struggle, accept it. **Life** is a tragedy, brace it.
- Life** is an adventure, dare it. **Life** is life, save it!
- Life** is luck, make it. **Life** is too precious, do not destroy it.

The words are inscribed on a poster hanging in a home for AIDS sufferers which she and her Sisters opened at Christmas 1985, in the very heart of New York City. She called the home ‘Gift of Love’.” -- from Mother Teresa by Kathryn Spink, HarperOne Publishers.

God bless, Fr. Pierre
